

Reception Newsletter

Welcome to the Ashmead Reception Weekly Newsletter

You will be able to see each week what we are learning in Reception as well as useful updates and information.

This Week's Learning

At the beginning of the week, we warmly welcomed the children to their first year at school. There is lots for them to learn and remember as they settle into their new environment, from knowing where to put their belongings and remembering to use the toilet, to walking to the lunch hall each day. We are here to support and encourage the children as they become familiar with their new classrooms, routines and surroundings.

Each morning, the children are beginning to find their own name cards as part of our self-registration routine. We have also enjoyed starting our days with simple listening and sound games, including animal sounds, rhyming games and 'Silly Soup'. We have been sharing the lovely story 'Monkey and Me' by Emily Gravett, which the children have really enjoyed. After lunchtime, we have a short maths session followed by a range of literacy activities.

Next week, we will be exploring 'Goldilocks and the Three Bears'. Our focus will be on respect. We will talk about what respect means and explore the different ways we can show respect.

Friendly reminder

Please remember to name all of the belongings including lunchboxes and water bottles.
